

Springwells Park Property Improvement Application

Property owners must receive approval from the Restrictions and Improvements Committee before beginning work on external property improvements, renovations or additions to assure compliance with Springwells Park Subdivision Deed Restrictions. The permit approval process assures compliance with deed restrictions and is required regardless of whether a building permit is required by the city of Dearborn. When a city permit is required, the Springwells Park permit must be granted prior to application for the City of Dearborn building permit. **Springwells Park property owners are legally bound to comply with Springwells Park Subdivision Deed Restrictions.**

Please complete the following application and submit to Rick Sims, Chairperson of the Restrictions and Improvement Committee at 8 Adams Lane, along with the builder's or contractor's contract, pictures, sketches or blueprints and sample colors. If you have questions please call Rick Sims at 313-240-6632 (if not available, contact Robert Villa at 313-717-2826).
